PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 247A to
Garwood, Texas as that community's first local FM service.
Garwood, Texas is a census designated place with its own
zip code and a population of 975 people. Garwood has its
own elementary school, volunteer fire department, post
office, library and annual festivals which bring people
into the town. The proposed channel 247A will provide
additional diversity and an outlet for local self-
expression to Garwood residents and therefore is in the

public interest.

Should this petition be granted and Channel 247A is allotted to Garwood, Texas, Petitioner will apply for Channel 247A at Garwood and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments are correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
